I saw your face across the room
Caught me like a favorite tune
Talking about my girl on the radio
(Ooh ooh) I knew I had to say hello

A special moment
Wonderin' what lies ahead
Was about to make my move
When she took my arm and said

We oughta take good advantage
Of the party lights
Slip away to the night
Darling I want you
To come home with me
We oughta...
I wanna...

Girl's got style
Something a little insane
Now she's acting like she owns me
I see no reason to complain

Chorus

Hard as I try, I can't remember why
We never spent that time together
She said, Don't bother wanderin'
Around here tonight
I see that look in you (look in you)
We oughta follow through
Oh it's better late than never

Oh we oughta take good advantage
Of the party lights
Slip away to the night
Darling I want you
To come home with me
We oughta...

Take good advantage

Real good advantage
Darling I want you
Darling I want you
Come home with me
Take good advantage
Slip away
Take good advantage
Slip away
Slip away
