Long ago the brothers fought
But still the tears are shed
So here we stand no wiser than before
Still the hunter rules the hearts of men

Whether I'm right or I'm wrong
Too weak or strong
Sure seems plain to me
Too young or old
Too shy or bold
We all need help
Just to move the stone

Those special favors to light the road
Songbird when you comin' home
On the highway the going's tough
It's harmony that splits the dark

How long (Sha-la-la-la-la-lala)
Sing it sweet need the harmony
Brother it's taken too long
(Sha-la-la-la-la-lala)
What makes it shine is the harmony

If I'm right or I'm wrong
Too weak or strong
Whether I flop or I steal the show
If we sink or we swim
We lose or win
What's yours and mine is the harmony

Those special favors you're on your own
Songbird when you comin' home
On the highway the going's rough
It's harmony that splits the dark

How long (Sha-la-la-la-la-lala)
Sing it sweet need the harmony
Brother it's taken too long
(Sha-la-la-la-la-lala)
What makes it shine is the harmony

It's the harmony
Sweet harmony
What makes it shine is the harmony
It's the harmony
(Sha-la-la-la-la-lala)
Swee-e-e-e-et harmony
Harmony
It's taken too long (Sha-la-la-la-la-lala)
What makes it shine is the harmony
It's the harmony (Sha-la-la-la-la-lala)
Harmony
Swee-e-e-e-et harmony
