I've been lookin' for a love
Someone to hold as I lay sleeping
I'm not talking about someone who's scared of
promises or keeping up
I'm just looking for a love to stand the test of time
I've been lookin' for someone to be all mine

I had too much lonely
I need a one and only
Someone I can care about and call my own
Well in true tradition
Without an intermission
We'll still be together when the kids are grown.

I've been lookin for a love
Someone to hold as I lay sleeping
I'm not talking about someone who's scared of
promises or keeping up
I'm just lookin' for a love to stand the test of time
I've been looking for someone to be all mine.

I've been looking for some one to be all mine.
