"Losin' You"

There's no such thing as sleep for jealous fools
And being jealous about someone like you
Is sort of foolish too
The life you choose is the life you want I guess
Losin' you might be the best thing yet

The longest day I live I'll still be sufferin' from the
shame
While in the gutter you were makin' yourself quite a
name
The loneliness is all that I regret
Losin' you might be the best thing yet

Patiently I sit at home and wait, wonderin' where you are
And what you are doin' has turned my love to hate
I wanted you and you wanted anyone you could get
Losin' you might be the best thing yet
