There'll be a party on the mountain  
People dancing on a hill  
Our song will reach across the valley  
Take a day off from the mill  
THERE'LL Be a high lit celebration  
We'll string colored lights through pine  
There'll be a party on the mountain  
If you say that you'll be mine

Be a party on the mountain  
COLESLAW, pickles; SWEETENED dill  
We'll roast ham and turkey  
Make purchases from the Still  
There'll be A red potato salad,  
Deviled eggs and custard pie  
There'll be a party on the mountain  
If you say that you'll be mine

Women clear the dishes  
As the sun was goin' down  
Then some ladies suggested  
It was time to hit the town  
No way Jose, we'll stay  
And with the fire glowin', WITH the music groovin'  
It's too late for slowin' down

We'll party on the mountain  
There'll be dancing on the hill  
Our song will reach across the valley  
Take a day off from the mill  
Be a high lit celebration  
We'll string colored lights through pine  
There'll be a party on the mountain  
If you say that you'll be mine

Be a party on the moutain  
If you say that you'll be mine
