(Hofstede/Kloet/Stips - Hofstede)

Somebody said  
You better not forget  
To put heart  
In front of head  
I know it's true  
I've been thinking of you  
And all the words  
That you have said  
Pillow talk to me  
Pillow talk to me  
Pillow you talk to me

Pillow you talk to me  
Like a puff of smoke  
You disappeared  
When I awoke  
Today  
The heart breaks slow  
The headaches follow  
The shape of you will fade away  
Pillow talk to me  
Pillow talk to me  
Pillow talk to me  
Pillow you talk to me
