In the black of the night

In the black of the night

There's a flashing light

Shining bright shining bright

What happens now to your eyes so suddenly

What happens now to your eyes

Wer reitet so spaet

Durch nacht und wind

Darling child come with me

My daughters sing and rock you to sleep

In the back of the car

In the back of the car

Who cares where you are

No one cares

No one cares

What happens now to your eyes so sad and lonely

What happens now to your eyes

So suddenly

What happens now to your eyes

Du liebest kind komm geh mit mir

Can't you hear  
Can't you see  
There is someone  
In the black  
Of the night  
There's a flashing  
Light  
Shining bright  
Wer reitet so spaet  
Durch nacht und wind  
Es ist der vater  
Mit seinem kind
