In the black of the night

In the black of the night

There's a flashing light

Shining bright shining bright

What happens now to your eyes so suddenly

What happens now to your eyes

Wer reitet so spaet

Durch nacht und wind

Darling child come with me

My daughters sing and rock you to sleep

In the back of the car

In the back of the car

Who cares where you are

No one cares

No one cares

What happens now to your eyes so sad and lonely

What happens now to your eyes

So suddenly

What happens now to your eyes

Du liebest kind komm geh mit mir

Can't you hear

Can't you see

There is someone

In the black

Of the night

There's a flashing

Light

Shining bright

Wer reitet so spaet

Durch nacht und wind

Es ist der vater

Mit seinem kind
