Tell me, just one more time, the reason why you must
leave;
Tell me once more why you're sure you don't need me
Tell me again but don't think you'll convince me.

You said, about fallin' in love again you'd rather be
dead;
When someone breaks your heart you cry your eyes
red
There's nothing so hard about the life that you've led.

As far as I can see, there's no reason for goodbye,
You're just running scared, and that's something I
won't buy.
So you lose, I won't let you go, there's nothing to show
but more blues
All this talk about leaving is strictly bad news
So you settle down and stay with the boy that loves you

As far as I can see, there's no reason for goodbye
You're just running scared, and that's something I
won't buy.

but more blues.
