The Wind, the Rain  
The wind, the rain, the child, the train  
The tree, the lake, waiting  
The house, the shoe, the blind, the hand  
The air, the face, waiting  
Now that I've found every heart has been broken  
Now that I've lost all the time that I had. I will be gone  
Now that I've heard every word has been spoken  
Now that I've seen every line that you wrote. I will be  
gone  
I'm walking through the valley in the darkness and the  
light  
I'll fear no evil with you by my side  
The stone, the nail, the boy, the snow  
The door, the heart, waiting  
Now that I've seen every road has been taken  
Now that I've lost all the the love that I had. I will be  
gone  
The wind, the rain, the child, the train  
The tree, the lake, waiting  
The house, the shoe, the blind, the hand  
The air, the face, waiting  
The stone, the nail, the boy, the snow  
The door, the heart, waiting  
The thirst, the truth, the taste, the thing  
The turn, the thorn, waiting
