(Nits)

Here comes the yellow boat on the river

She is sleeping and I will leave her

Look at the yellow boat on the river

She is swimming and I will give her

Water to drink

Candles to light

I am walking home tonight

In the wind on the right corner

Flies

Look at the yellow boat on the river

She is swimming and I will leave her

Here comes the yellow boat on the river

She is diving and I will give her

'Give her'

Apples to eat

Wood to burn

Then she tells me when I turn

She will turn to stone and fall asleep

I will be a memory

Here comes the yellow boat in the night

She is turning off the light

Look at the river

Look at the moon

Sailing home on a windy night

Soon
