Clouds so swift, the rain won't lift  
Gates won't close, the railing's froze.  
So get your mind off wintertime,  
You ain't going nowhere.

Ooooo ride me high  
Tomorrow's the day my bride's gonna come  
Oooo are we gonna fly  
Down in the easy chair

Buy me a flute, and a gun that shoots  
Tail gates and substitutes  
Strap yourself to a tree with roots,  
You ain't going nowhere

Ooooo ride me high  
Tomorrow's the day my bride's gonna come  
Oooo are we gonna fly  
Down in the easy chair

Well I don't care how many letters they sent  
The morning came and the morning went  
So pack up your money, and pick up your tent  
You ain't going nowhere

Ooooo ride me high  
Tomorrow's the day my bride's gonna come  
Oooo are we gonna fly  
Down in the easy chair

And genghis khan he could not keep  
All his men supplied with sleep.  
We'll climb that hill no matter how steep  
When we get up to it

Ooooo ride me high  
Tomorrow's the day my bride's gonna come  
Oooo are we gonna fly  
Down in the easy chair

Ooooo ride me high

Tomorrow's the day my bride's gonna come  
Oooo are we gonna fly  
Down in the easy chair
