Here we go sailin' low
Bet your mom and pop, baby, will never know
We're steppin' by the river
Where the woodchucks go
Down by the Yukon Railroad

When the sun come up, we go down
You can have your partner
And you're foolin' around
Spendin' my time on the open ground
Down by the Yukon Railroad

You can bring a bottle
And we'll drink it on the track
Baby never comin' back
Well I can just imagine
About a hundred years ago
Old Number 7
Just a steamin' on to heaven
With it's twenty cars a rockin' in tow
Bringin' on the payroll

Here comes the sun now, we're havin' fun
You and me together baby, are number one
I can feel another day's just begun
Thanks to the Yukon Railroad

You can bring a bottle
And we'll drink it on the track
Baby never comin' back
Well I can just imagine
About a hundred years ago
Old Number 7
Just a steamin' on to heaven
With it's twenty cars a rockin' in tow
Bringin' on the payroll

Yeah

Well here we go, sailin' low
Bet your mom and pop, baby, will never know

Steppin' by the river
Where the woodchucks go
Down by the Yukon Railroad
Thanks to the Yukon Railroad
We love the Yukon Railroad
