AAAAAA

Ever since u went away  
Been missin you everday  
What I do just to see your face  
Should of held ya & made u stay  
Now I really need somebody  
Just to call sombody  
But I know I can't go back in time in just make things  
change  
Been waitin on your call but I ain't heard a word  
Wish I can go back to the way things were  
But you don't even know how much I miss you baby  
You can take this as a lesson learn  
Kinda like Usher u gotta let tha shit burn  
Breathe in breathe out

I gotta let it go  
Even though I can't live with out ya  
Don't wanna lose control  
Even though im missin everything about ya  
And im tryna keep my composure  
But on the inside it's really killing me  
All I can do is just breathe in breathe out.

I gotta let it go  
Even though I can't live with out ya  
Don't wanna lose control  
Even though im missin everything about ya  
And im tryna keep my composure  
But on the inside it's really killing me  
All I can do is just breathe in breathe out.

Listen up girls ima let yall know  
If you gotta a good man never let him go  
If you really love him betta let him know  
Never wait till he bout to walk out the door  
Cuz once he leaves it aint no runnin back 2 ya

Like the pride of a man he aint comin back 2 ya  
Think you waitin on a call but u won't get a word  
I wish things was back to the way they were  
Even kodak couldn't fix this picture  
You can take this as a lesson learn  
Kinda like Usher u gotta let that shit burn/burn  
Breathe in breathe out.

I gotta let it go  
Even though I can't live with out ya  
Don't wanna lose control  
Breathe in, breathe out.  
Even though im missin everything about ya  
And im tryna keep my composure  
But on the inside it's really killing me  
All I can do is just breathe in, breathe out.Ohhhh

I gotta let it go  
Even though I can't live with out ya  
Don't wanna lose control  
Breathe in, breathe out.  
Even though, im missin everything about ya  
And im tryna keep my composure  
But on the inside it's really killing me  
All I can do is just breathe in breathe out.

You and me used to be happy can't believe that you'd  
leave won't you come back to me  
Now you gone im alone now im wishin you weren't gone  
Im so sorry baby  
You and me used to be happy can't believe that you'd  
leave won't you come back to me  
You and me use to be happy  
Come back to me  
NI-VE-AAAA  
Come back to me  
Breathe in, breathe out  
NI-VE-AAAA  
Come back to me  
NI-VE-AAAA  
Come back to me  
NI-VE-AAAA

I gotta let it go  
Even though I can't live without ya  
Don't wanna lose control  
Even though I'm missin everything about ya  
And I'm tryna keep my composure  
But on the inside it's really killing me  
All I can do is just breathe in breathe out
