[Akon] Nivea, Akon Hey hey hey Nivea, Akon Hey hey hey

[Nivea]

MotoLyrics

When I say I love you sometimes those words don't explain So much you do for me Can't picture a day without your face I'm always in a kodak moment when you're next to me Sometimes boy I can't breathe Boy swear you'll never leave

My love will never change It will always be this way We'll always be the same And they can't take that away We can run away Our love will lead the way So we'll just let them hate Cause they can't stop us babe

[Chorus: Nivea & Akon] Nobody wanna see us together But it don't matter no Cause I got you babe Nobody wanna see us together But it don't matter no Cause I got you babe

Cause we gon' fight Oh yes we gon' fight Believe we gon' fight Fight for our right to love yeah Nobody wanna see us together But it don't matter no Cause I got you, babe

[Nivea]

I told my mother that I'd be loving you til the end And if I had to start over, I'd do it all again And it doesn't matter what anyone has to say Cause in you I can depend, boy you are my best friend

My love will never change It will always be this way We'll always be the same And they can't take that away We can run away Our love will lead the way So we'll just let them hate Cause they can't stop us babe

[Chorus: Nivea & Akon] Nobody wanna see us together But it don't matter no Cause I got you babe Nobody wanna see us together But it don't matter no Cause I got you babe

Cause we gon' fight Oh yes we gon' fight Believe we gon' fight Fight for our right to love yeah Nobody wanna see us together But it don't matter no Cause I got you babe

[Nivea] Babe, babe, babe, babe, hey Nobody, nobody, nobody THey don't wanna see us Nobody, nobody, nobody

[Chorus: Nivea & Akon] Nobody wanna see us together But it don't matter no Cause I got you babe Nobody wanna see us together But it don't matter no Cause I got you babe

Cause we gon' fight Oh yes we gon' fight Believe we gon' fight Fight for our right to love yeah Nobody wanna see us together But it don't matter no

Cause I got you babe
