Come and get a scoop of my ice cream, baby
JS got the flavors that I know will drive you crazy
Tonight it's gon' be like we were dreaming', baby
Won't you taste my ice cream

Baby, you know I've got all the flavors that you want
Plus I got all the skills that I need to turn you on
Vanilla, strawberries, chocolate, baby boy, it's on
Now tell me can you picture my body on a cone

Baby, come lay your body right here I wanna ride it
Switch it up, turn it around, now come and get inside it
Tonight you're gonna have so much fun while tastin'
my love
Tell me do you have a taste for vanilla wafers

Come and get a scoop of my ice cream, baby (Ice

Won't you taste my ice cream

Now boy, it's getting late so don't hesitate, lets get to it
Just put the Chocolate Factory CD on and watch me lose
it
Come in my story, like ending know what is it you want
Bananas mixed with peach, mixed with cherries, mixed
with lime

Lots of all kinds, apples or lemon-lime
Come and try my coconut, it's gonna blow your mind
