(Nivea)

It was hard to find a brotha that was down for me

So I'm tellin everybody let him be

Cause he's mine and I can't let no b****es tryna take my baby

So I thought I had to let you know

Find someone that you can call your own

Cause girl you're walkin in the danger zone

And if I touch you I'll be wrong

(Girls Chorus)

If you mess with my man, I'ma be the one to break it to ya

Got my girls, and my man, so find your own and leave mine alone

Don't mess with my man, I'ma be the one to break it to ya

Here's a little advice for you, find your own man
