[Petey Pablo:]

Nivea Baby

Nivea Baby

Nivea Baby

We on the left field

Ya never seen it comin' did ya?

Who dat-ee y'all?

Petey Pab and Nivea

Two interbridges that

Got yo' attention right now

Yo' attention right now

Girl, listen

My people ain't never had a song

They can sing along

Fill the bottle till the Pete came home

Now it's hot now

We are the Montana, Louisiana, girl

We some bad mamma jamma

'Bout to do the damn things ya do

'Bout to wear this out

Turn that thang to the left

Bring it, bring it

The helicopter landed, it landed in Atlanta

Velvet rope with 20 Grand

It don't even matter

Hey, we about to break ya off

Hey, boy, you better not cut that radio off

Girl, you better not cut that radio off

Hey, a matter fact, give it to 'em right now

C'mon!

[Nivea:]

Just hopped in my new ride

Tryin' not to look so fly

Then I turned on the radio

The way I'm feelin' can't be controlled

This little Shorty was just my type

He kinda thuggish, but treat you right

And yet I know he was walkin' by

But not the type of boy I would pass with a lie

Think you can roll with me, ride with me, get down with me?

[Pre-Chorus]

But respect my property

If you don't wanna get checked, you best forget them drives or step

Ya better keep your hands to yourself

[Chorus]

Don't you mess

(No you can't, no you can't)

With my radio

(No you can't, no you can't)

Don't mess

(You can't mess)

(No you can't, no you can't)

With my radio

With my radio

[Repeat Chorus]

Now I can see that the time is flyin'

And I wanna go

Straight to the dance floor

Put your hands up and

Put this rock up and party like it ain't no thang

No, no

There ain't no other place that could be so right

So I think we're gonna stay here and dance all night

[Repeat Pre-Chorus]

[Repeat Chorus x2]

Do you wanna ride with me?

Just don't mess with my radio

Oh

Do you wanna ride with me?

Just don't mess with my radio

Don't you wanna ride with me?

Do you wanna ride with me?

Just don't mess with my radio

Oh

Do you wanna ride with me?

Just don't mess with my radio

I know you wanna go

Just don't mess with my radio

[Repeat Chorus x3]

Radio, radio, radio
