Try to keep it cool with your ex [2x]
But I know whats happening next, then ima get her get
her get her

Why she be calling you at 3 in the morning like we all
cool and shit
Acting all big and bad popin off the grill like she gone
do some shit
Late night she be riding by with nothing but the
jealousy in her eyes
Don't trip cause im telling you right now, right now

You betta get her you betta get her
Cause it wont be long for I do something wrong to the
girl you betta get her you better get
Her it wont be long this tiem im going off on the fella
You betta get her you better get her, you betta get her,
get her, you better get her,
You betta get her get her you better get her, you betta
get her, get her you better get her
You betta get her get her

Why she been hittin you on your side kick acting all
rude and shit
Always coming by your mommas crib bringing her food
and shit
If I see you at the mall its going down
If I see you in the club its going down
If I see one of your girls its going down down down
down down down down.

Late night she be ridding by with nothing but the
jealousy in her eyes
Wont do shit cause the girl is fly
Watch out cause im telling you right now right now

You betta get her you betta get her

Cause it wont be long for I do something wrong to the
girl you betta get her you better get
Her it wont be long this tiem im going off on the fella
You betta get her you better get her, you betta get her,

get her, you better get her,
You betta get her get her you better get her, you betta
get her, get her you better get her
You betta get her get her

I don't know who she think she is, know who she think I
am, know what she trying to do
Now im all in ya grill showin up where you live, no
telling what ima do
Girl when im finished with you your gonna r.e.s.p.e.c.t
me
You aint gonna give it to me so ima take it from ya
Coemon with the drama coemon with the drama

You betta get her you betta get her
Cause it wont be long for I do something wrong to the
girl you betta get her you better get
Her it wont be long this tiem im going off on the fella
You betta get her you better get her, you betta get her,
get her, you better get her,
You betta get her get her you better get her, you betta
get her, get her you better get her
You betta get her get her

Boy you better get your ex you betta get your ex
Cause I aint playin I aint playin I aint playin with her
noooooo
