Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
'Cause I'm still in love with you

Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
'Cause I'm still in love with you

Baby, yesterday we seemed real cool
But lately you're treating me so cruel
Sleeping next to you feels new
It ain't nothing like it used to

Still if I'm not next to you
I need some quick and I'm out of tune
But something 'bout that thing you do
It could only come from you

You like my body, I want your last name
Why can't we make it work?
Hate when you leave me, fight when you see me
Get on each others nerves

Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
'Cause I'm still in love with you

Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
Cause I'm still in love with you

Darling, the other day I thought of you
Made me feel like you poisoned my food
It just gotta be some voodoo
Why can't I get approved by you?

What the hell am I supposed to do
When all my steps directed by you?

I'm affected by your 'cause and cure
I need to get away from you

You like my body, I want your last name
Why can't we make it work?
Hate when you leave me, fight when you see me
Get on each others nerves

Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
'Cause I'm still in love with you

Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
'Cause I'm still in love with you

Yes sir, didn't know how so I tried to buy your love
I should've been up at the crib but I was up in the club
My niggas told me dream take her home
But I was like give me another shot of Henesy, dawg

Travel at high speeds then we crash man
And I was so blind in the fast lane
And you were a better woman than I was a man
Can you forgive the blueprint it wasn't in my plan?

And all you ever asked was to understand
But I had my head too far up in my ass
Any nigga can love a girls body
But it took a man to love ya mind

I heard you doin' fine, I see you in magazines every
other page
I wish I wasn't talking to you from this cage
But I'm screaming go girl from the jail cell
Niv I know I did you wrong but I meant well

Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
'Cause I'm still in love with you

Oh I can't mess with you
'Cause I'm still in love with you
Oh I can't mess with you
'Cause I'm still in love with you
