This my girls with me on the floor
To get 'em with that remix that said
Okay, okay, okay, okay
Okay, okay, okay, shawty

So spin it back Mr. DJ
And get the radio station
Tell 'em to replay that
Okay, okay, okay, okay
Okay, okay, okay, shawty

I see you watchin' me
Lookin' like you want to be all about it
Those rims are lookin' clean
And I can't ignore you, baby

Better not be wastin' my time
You better make up ya mind
Come here and talk to me
Make me feel like one of a kind

This is for them girls who stay fly, stay fly
Make them boys say you so fine, you so fine

And get that Red Cup in the sky and raise it high

In them white tee's and them throwbacks
