This shit was all I knew, you and me only, I did it all for
you, still you were lonely,
If we could have worked it out, but I guess things
change,
It's funny how someone else's success brings pain,
When you're no longer involved and that person has it
all
And your just stuck standing there...
I'm gon need you to say somethin baby,
Say say somethin baby, say somethin baby
Say say somethin baby, say somethin baby,
Say somethin baby, heyyy say somethin baby ohh

Nivea

Wish I could pull you out the game, cause it's the thing
that made you change,
It ain't the money honey, lend me some money honey,
Thought I was your heart before your black card,
You told the world about me but you forgot about me,
Is it somethin you forgot cause I'm makin it my adamas
watch
And it's beatin like my heart goin tic toc, tic toc
Baby look what u done done got me singin this song

Chorus (Nivea)

This shit was all I knew, you and me only, I did it all for

Yo I been grindin so long tryna reach the top of mount I
want it all

Rememberin the days window shoppin at the mall
Now I walk in the store blow the wistle and ball
This aint the picture I painted this is not a warhol
You was supposed to ride wit me but you so far gone
Used to be my biggest fan when I was comin up
Then when I blew up u act like I aint do enough (damn)
I know I'm not home everynight I'm dream chasin shoes
laced up extra tight
If anybody understood probably would be you, told me
to sacrifice do what I got to do
I never thought this meant sacrificing you, did all this
hard labor thinkin we'd enjoy the fruits
I could move on but you still gotta piece of me, when
you gonna realize I did this for you and me

Chorus (Nivea)

This shit was all I knew, you and me only, I did it all for
you, still you were lonely,
If we could have worked it out, but I guess things
change,
It's funny how someone else's success brings pain,
When you're no longer involved and that person has it

Say say somethin baby, say somethin baby,
Say somethin baby, heyyy say somethin baby ohh
