now i dont care about it  
just be about it love  
wont do with out you  
i love you boo

hook-i aint scared to  
love you,i aint scared to touch you  
i aint scared to be with you  
just tell me if you scared of this too. 2x

sometimes we fight on the phone  
i hang up with you then im all alone  
just feel what im saying im not complaining

i love you boo

hook-2x

bridge- strong love is all i need to be with you  
be my man and im your girl yea yea yea.  
hook-2x
