Oooooooh, that shit right there on fiyah

One look one glance wanna touch it  
Them jeans make niggas confess like Usher  
I can barely get this thing in through customs  
That ass on fire, ask Pharrell and Busta  
I just stand here wit my Gucci top  
Pause for the Fuji then I clear my throat  
You the one watchin all the way to the door  
Just one look at thats all she wrote

In a minute he'll be spending it all (spend it all)  
Get him sprung and he'll be buyin' me cars

Watch it  
Go 'head now  
Watch it  
That's it boy  
Watch it  
Keep on now  
Watch it, watch it, watch it

Boy I know exactly what you want, yeah yeah  
I'm already up on game so boy don't front  
I use it to my advantage  
I know I got you braggin', thinkin' nasty  
I know you wanna grab it, yeah yeah  
In a minute I'll be up in the mall (in the mall)  
With a handful of your credit cards

Watch it  
Go 'head now  
Watch it  
That's it boy  
Watch it  
Keep on now  
Watch it, watch it, watch it

In a minute you'll be paying my rent (pay it all)  
And in a minutre you'll be getting my record spins

Watch it

Go 'head now  
Watch it  
That's it boy  
Watch it  
Keep on now  
Watch it, watch it, watch it

Well say whatever, I know what you want  
you ain't gotta run no game, you ain't gotta front, no  
Boy you know you want it, I got you all up on it  
The situation's serious, yeah  
Yeah, yeah, I know exactly what you wanna do  
Make you wanna spend that money, then I'm all on you  
Grindin' too, doin' what I do, that's it boy keep on  
watchin' it
