[Verse One]

I was gonna take my life where I wanted to go
Which was with your life, more then you'll ever know
Now I can't do that , new info has been found
Cause when I was ready you were no where around

[Chorus]

Said I wanna be with you
Why you have to go and run away
Is it cause you were not true
And you never had plans to stay
Or is it cause you had a girl
On the other side of town
Made plans to be with you
Why the hell are you not around?

[Verse Two]

Said I was special, special to the world
And made you special cus I was your girl
Now I can't do that, new info has been found
Thought I was special, where are you now?

Chorus:

Said I wanna be with you
Why you have to go and run away
Is it cause you were not true
And you never had plans to stay
Or is it cause you had a girl
On the other side of town
Made plans to be with you
Why the hell are you not around?

[Nivea]

And when my dad called, you said I was yours
And when I was ready, you heart had open doors
So I gave up the biggest smile
For your voices sound
But can't smilin now
Cause your not around

Chorus: x2

Said I wanna be with you
Why you have to go and run away
Is it cause you were not true
And you never had plans to stay
Or is it cause you had a girl
On the other side of town

Made plans to be with you
Why the hell are you not around?
Run away, Run away, Run away
Run away, Run away, Run away
Run away, Run away, Run away
Run away, Run away, Run away
Run away, Run away, Run away
