There comes a time
In our life
When you need
Someone to talk to
We need someone
To count on
Someone
Who's always there
And i know a friend
And he is
Closer than a mother
He's closer
Than a brother
My savior
Is what he is

[Chorus:]
I know that he's here
(he's where)
Deep down in my soul
(i know)
I know that he cares
And he'll always be
Right here
I know that he's here
(he's where)
Deep down in my soul
(i know)
I know that he cares
And his love
Will never end

Why you worry
Why you fretting
Cause he said
In all thy ways
Acknowledge him
And he will sure
Direct your path
Speak
And you shall have it
Knock and the doors

Shall be opened to you
Wait on the lord
And he shall
Renew your strength

[Chorus]

When you open up your eyes
And you finally realize
That whatever
You've been looking for
Has always been right there
You don't have to compromise
Stand on up
And dry your eyes
He's made a way for you
So you can get
Your breakthrough

[Chorus]
