Oh, it's so nice to see you all inside my dreamy little world  
And it's so nice to be with all you lovely little boys and girls  
Make yourself comfortable  
My place is so divine don't you think I'm wonderful?  
Say yes!  
You're on my time stay away from Captain Howdy  
Stay away from Captain Howdy  
Don't try to leave  
The doors are locked and only I have got the key  
Forget the windows they're nailed shut and boarded up  
So you can't see you'll love the light show  
Oh, I'm sure you'll think it's swell when they go off  
Your welcome to my living hell  
Stay away from Captain Howdy  
Stay away from Captain Howdy  
Come here my sweet  
Let me help you with that there  
That's better I'm overjoyed at all the games  
I'm playing here with you today  
But I'm so sad the party's over and we can no longer play  
You think you're going home to your own little bed  
But that's impossible you can't sleep when your dead  
Stay away from Captain Howdy  
Stay away from Captain Howdy  
Stay away from Captain Howdy  
Stay away from Captain Howdy  
Stay away from Captain Howdy  
Stay away
