Come around  
Cause you always keep slowing us down  
Your opposing opinions are breaking us  
Damn right you are all deceptive  
And I can't see it turn around  
Come on we are all effective  
Don't burn the bridges

I'm dying  
The waiting wears me out  
I'm trying  
Cause the waiting wears me out  
Worn out! Worn out!

From day one you've done nothing just leading us on  
We won't buy your life forever  
We've been fooled for too long to go on with that  
I know but you are a regret  
Damn right you are all deceptive  
And I can't see it turn around  
Come on we are all effective  
Don't burn the bridges

I'm dying  
The waiting wears me out  
I'm trying  
Cause the waiting wears me out  
Worn out! Worn out!

Damn right you are all deceptive  
And I can't see it turn around  
Come on we are all effective  
Don't burn the bridges

I'm dying  
The waiting wears me out  
I'm trying  
Cause the waiting wears me out  
Worn out, Worn out!  
Worn out, worn out!  
Worn out!
