Don't know where to start, something ain't going right  
Feel it in my soul 'cause I've tried, oh baby  
Tried to keep you satisfied, please don't cry  
I just think we both need time

I just feel that we are in the same room  
But living two worlds apart  
And it's causing too much pain

She said, "Baby, can you please just stay?  
It ain't too late to work this thing out"  
I said, "Girl, this ain't easy for me  
At least the truth is coming out"

She said, "Why can't we make up like the last time?  
I'm just afraid to hear you say go"  
I said, "Baby, I'm sorry, I think it's time we let go"

Baby, don't leave, don't leave, don't leave  
Tell me you'll stay, can you stay, can you stay?  
I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go

See these teardrops falling from your eyes  
That don't change my mind, oh baby  
Please don't make things more difficult than they gotta  
be  
I can't take no more this is killing me

Every time I look at you  
I see more reason of me to leave you  
And it's causing me too much pain

She said, "Baby, can you please just stay?  
It ain't too late to work this thing out"  
I said, "Girl, this ain't easy for me  
At least the truth is coming out"

She said, "Why can't we make up like the last time?  
I'm just afraid to hear you say go"  
I said, "Baby, I'm sorry, I think it's time we let go"

Baby, don't leave, don't leave, don't leave  
Tell me you'll stay, can you stay, can you stay?  
I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go

Baby, don't leave, don't leave, don't leave  
Tell me you'll stay, can you stay, can you stay?  
I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go

Baby, can you please just stay?  
It ain't too late to work this thing out  
I said, "Girl, this ain't easy for me  
At least the truth is coming out"

She said, "Why can't we make up like the last time?  
I'm just afraid to hear you say go"  
I said, "Baby, I'm sorry, I think it's time we let go"

Baby, don't leave, don't leave, don't leave  
Tell me you'll stay, can you stay, can you stay?  
I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go

Baby, don't leave, don't leave, don't leave  
Tell me you'll stay, can you stay, can you stay?  
I gotta leave, gotta leave, gotta leave  
'Cause I think it's time we let go
