She may be beautiful sexy from her head down to her  
toes

Everybody's favorite centerfold  
The girl everybody wants to know  
(know)

And what I didn't see  
Was her secret identity  
What she was doing behind the scenes  
All the dirty lies and filthy schemes, yea

You don't you don't even know  
(even know)  
How long how long she would go  
(she would go)  
To be the star of her show  
And I don't know

Know why I trusted you  
She took control of me  
(took control of me)  
So hard I couldn't see  
(couldn't see)  
Played like monopoly

Things that she cant undo  
All that she was untrue  
That girl I thought I knew  
Never expect it babe  
But Hollywood set me up  
(she set me up)  
She set me up  
(she set me up)  
She set me up  
(Hollywood set me up)  
She set me up , oh  
(and I don't know why but)  
Hollywood set me up

Girl is sitting next to me, and she  
Asken can she leave with me  
I'm like cant be coming on to me  
My girl is at home waiting on me

Whispers in my ear and she's like  
Baby can we disappear tonight  
Kisses me into the rhyme  
Girl is starring me right in my eyes

You don't you don't even know  
(even know)  
How long how long she would go  
(she would go)  
To be the star of her show  
And I don't even know

Know why I trusted you

She took control of me  
So hard a couldn't see  
(so hard I cant see)  
Played like monopoly

Things that she cant undo  
All that she was untrue  
(untrue)  
That girl I thought I knew  
(thought I knew)  
Never expect it babe

But Hollywood set me up  
She set me up  
(she set me up)  
She set me up  
(Hollywood set me up)  
She set me up, (ahh) oh  
(and I don't know why but)  
Hollywood set me up

She set me up  
(she set me up)  
She set me up  
(Hollywood set me up)  
She set me up, (ahh) oh  
(and I don't know why but)  
Hollywood set me up

Spot lights  
Left right  
Going to her head  
Closen the curtain  
Your show is over  
No more  
(no more)

Take your act and leave

Don't know why I trusted you  
(don't know why)  
She took control of me  
(don't know why)  
So hard I couldn't see  
(couldn't see)  
Played like monopoly  
(play me)

Oh!  
Things that she cant undo  
(cant undo, cant undo)  
All that she was untrue  
(was untrue, was untrue)  
That girl I thought I knew, oh  
Never expect it babe,  
But Hollywood set me up

Hollywood set me up  
Hollywood set me up  
Said I shouldn't have trusted her  
Oh, I don't know why but Hollywood set me up  
Said I shouldn't have trusted her  
Hollywood set me up
