[opening]

(ring)

come on pick up the phone

(ring)

hello

yo it's me

oh what's up

(i'm not the one)

yo i ran into your moms the other day,  
it really hurt me to my heart the things that umm

i had to tell her

what are you talking about?

just to be honest

(verse 1- travis)

I ran into your mom at the beverly center

as soon as she saw me

sprint my tempature went up

i put that on my team

oh girl made wanna curse

but i can't let her

i was raised better

she said that i was wrong for

keeping you out of church

said it's me gettin up under your skirt

but i had to let her know

how you gettin down since i let you go

But i'm not the one

keeping you up late nights

They think i'm the

one giving you them monkey bites

But i'm not the one

got you looking burnt out

hanging with the wrong

hittin the track now

Baby i'm the one

who kept you on the honor roll

Baby i'm the one

you shouldv'e been down for

But your the one

caught up in this fast life

i've been livin past drive

you've picked the wrong guy  
But i'm not the one  
It's not a problem  
that your folks wanna know  
were you are but,  
i won't be disrespected  
you better come clean  
let them know were you go  
at the bar in the  
club i heard you dancing  
shaking your ass on poles and tables  
that aint how your mamma raised ya  
(oh no)  
your reputation been ruined  
on the block  
you can blame that on that  
pimp you got  
cuz i used to be  
(i used to be)  
oh what you need girl  
(what you need)  
whoa oh he came  
(he came)  
he came  
(you changed)  
you changed  
(you strange)  
you strange oh  
But i'm not the one  
keeping you up late nights  
They think i'm the one  
giving you them monkey bites  
But i'm not the one  
got you looking burnt out  
hangin with the wrong crowd  
hittin the track now  
Baby i'm the one  
who kept you on the honor roll  
Baby i'm the one  
you shouldv'e been down for  
But your the one  
caught up in this fast life  
i've been livin past drive  
you've picked the wrong guy  
But i'm not the one

I'm not that kind of guy  
who would make such a mess of your life  
all i ever wanted was  
to keep you satisfied  
(so satisfied)

cuz you deserve to be happy  
but you messed up a good thing  
you were the good girl on the block  
you lied to your mom and pops  
they can blame that on that new dude you got  
cuz i'm not the one

But i'm not the one  
keeping you up late nights  
They think i'm the one  
giving you them monkey bites  
But i'm not the one  
got you looking burnt out  
hangin with the wrong crowd  
hittin the track now  
Baby i'm the one  
who kept you on the honor roll  
Baby i'm the one  
you shouldv'e been down for  
(fade)
