Never can, never can, never can fall
Never can, never can, never can fall

Hold up, wait, let me tell you somethin'
You can't say that you don't wanna trust me
Don't be 'fraid, it's not too late to stay
Baby girl makin' a big mistake
If you think that I'm not down with love
I can show, I can show you somethin'
Cuz I can't try to be no other man
Cuz ain't nobody else can do it like I can

Hook:

I, I wanna be that guy
Who can't say this summer past you left behind
And I, I wanna show you why
Cuz I can trust ya, love ya
Cuz baby girl just give me a chance

Chorus:

Every time you fall, I won't let you down
I'll always keep you up, you can't hit the ground
Jump, jump, jump, jump
Just jump, jump, jump, jump
Come with me, I'll rescue you
I'ma be right there
If you need me to catch you, girl you can't be scared to
Jump, jump, jump, jump
Just jump, jump, jump, jump
I can be your para-
I can be your parachute

Loosen up, feel it
Trust in us cuz baby, I can take it
And I don't wanna be just a friend
I'm gonna stick whitchu until the end

Feel the rush deep inside you turnin'
Out of touch, you didn't read the warnin'
You might think that this is way too soon
Why can't you just accept that I love you?

HOOK

CHORUS

Never can, never can, never can fall
Never can, never can, never can fall
I can be your para-
I can be your parachute
Parachute
Baby I can be your parachute
Cuz you
Never can, never can, never can fall
Never can, never can, never can fall
I can be your para-
I can be your para-

CHORUS

Parachute
I can be your parachute when you
Jump, jump, jump, jump
Just jump, jump, jump, jump
Parachute
I can be your parachute when you
Jump, jump, jump, jump
Just jump, jump, jump, jump
I can be your para-
I can be your parachute
