I can't read your mind
I need you to say it

Plain and simple
I would give my life to you
Everything you needed
Baby I would be it
You're the only one I talk to
Who really knows me
Tells me shows me
That it's enough sometimes just to be myself

I don't want nobody else
They don't understand
That I gave away my heart
The moment that I shook your hand

Take my breath away
Buy me anything I ask
Go anywhere I wanna go
I traded everything just to know

Chorus:
Let me know you love me
Let me know you care
Let me know you're thinking of me
When I can't be there
Let me know you miss me
Call me up sometimes
I don't wanna go but boy
you gotta let me know
gotta let me know

said you gotta let me know
woo woo ooh ooh

Stop and listen
It's my thoughts calling your name
Screaming out the way I feel
I wish you would do the same
I think you might be on the same book
Same line same page

I'm tired
Listening to your silence brings the water to my eyes

I don't want nobody else
They don't understand
That I gave away my heart

The moment that I shook your hand

Don't let me in the dark
Put this blind over my eyes
If you don't feel the same
Is everything we have a lie?

Chorus:
Let me know you love me
Let me know you care
Let me know you're thinking of me
When I can't be there
Let me know you miss me
Call me up sometimes
I don't wanna go but boy
you gotta let me know
gotta let me know(x2)

Please give me a reason to stay
Gotta get us back on track
Cause the worst thing is
Loving someone who doesn't love you back
I think you do but I need you to say it

I can't read your mind
Tell me from time to time
I need you to say it
Need you to tell me (x2)

Chorus:
Let me know you love me
Let me know you care
Let me know you're thinking of me
When I can't be there
Let me know you miss me
Call me up sometimes
I don't wanna go but boy
you gotta let me know(x2)

I can't read your mind
I need you to say it (x2)

Let me know you love me
Let me know you care ooh
