[Verse 1]

Life is a mystery
You never know what's gonna be
I didn't know you were gonna leave
And I was ready to spend my life with you

Must've crossed your mind
Do you still feel me deep inside?
Do you still see me when you close your eyes?
Or did you find a way to let me go?

[Hook]

You never want what you got
But always want what you can't
Have ever missed something until it's gone
I know in your heart that you can't walk away
And if you want me to move on

[Chorus]

Just say I ain't right
For you
And you've moved on
The feeling's gone
(And I try to do the same)

Just say I ain't right
And I've been holding on
The love has gone
Just say I ain't right

[Verse 2]

It seems like yesterday
I was the one you loved to chase
Now someone took my place
What did you see in him you never saw in me?
And if he loves you better
(I'll walk away)
Or if it's me that's on your mind
(Baby, I'll stay)

[Hook]

You never want what you got
But always want what you can't
Have ever missed something until it's gone
I know in your heart that you can't walk away
And if you want me to move on

[Chorus]

Just say I ain't right
For you
And you've moved on
The feeling's gone
(And I try to do the same)

Just say I ain't right
And I've been holding on
The love has gone
Just say I ain't right

Right
Right
Right
Right
Right
Right

(Baby, I've moved on)

Right
Right
Right
Right
Right
Right

[Chorus]

Just say I ain't right
For you
And you've moved on
The feeling's gone
(And I try to do the same)

Just say I ain't right
And I've been holding on
The love has gone

Just say I ain't right
For you
And you've moved on
The feeling's gone
(And I try to do the same)

Just say I ain't right
And I've been holding on
The love has gone
Just say I ain't right

Ain't right
Ain't right
Ain't right
Ain't right
Ain't right

Just say I ain't right

Ain't right
Ain't right
Ain't right
Ain't right
Ain't right
No no
