Oh oh oh oh oh

I see what I want
Moving real slow
Body's so amazing
Be a fool to let it go
Jeans fitting right
Just how I like it
Damn gurl I want it
You know I want it
Know I got her shook
Cuz you tryin not to look
So much shit to say
If I jot it down, I could right a book
Turn a frown into a smile
I can break it down
(I'm about to get it now [x2])

I should be with you
You should be with me
And baby gurl I wouldn't stop till
I get you caught up up
I can't get enough enough
Tryin do you know what what yaaa
Oh gurl I gotta have you

[Chorus]
I think I gotta admit it
I'm all the way in it
I hope she with it with it
Cu cuz she can get it
(She can get it)
Ohhh
(She can get it)
Uh if you saw her movin you'd wanna
do it yup she can get it
I'm in it to win it
I'm so so commited
She started but I'm gone finish
Yup yup that gurl gone get it
(She can get it)
Ohhh

(She can get it)
Uh if you saw her movin you'd wanna
do it yup she can get it
(Yahh)

The music is kind of loud
Time to pull the cloths
Hands are on her waist
Now we headed for the door
I ain't got all night
(Ain't got night)
Running out of time
(Out of time)
You know I want it
Bout to get it up on it and gurl
Back of the truck
Windows up
Got you saying Ohh Ohh
Not gonna stop until I make you beg for more
Oh gurl

(Oh gurl)
Baby you know I want it

(That's why i'm on the phone)

I should be with you
You should be with me
And baby gurl I wouldn't stop till I get
you caught up up
I can't get enough enough
Tryin to do you know what what yaaa
Oh gurl I gotta have you
