Don't know where to start somethin' ain't goin' right
Feel it in my soul cuz i've tried, oh baby
Try to keep you satisfied, please don't cry
I just think we both need time
I just feel that we are in the same room
But living two worlds apart
And it's causing too much pain

(She Said) Baby can you please just stay
It ain't too late to work this thing out
(I Said) Girl this ain't easy for me
At least the truth is comin' out
(She Said) Why can't we make up like the last time
I'm just afraid to hear you say go
(I Said) Baby I'm sorry, I think it's time we let go
Baby don't leave, don't leave don't leave
Tell me you'll stay, you'll stay, you'll stay
I Gotta leave, gotta leave, gotta leave
Cuz I think it's time we let go

See these teardrops fallin' from your eyes
But that don't change my mind, oh baby
Please don't make things more difficult then they gotta
be
I can't take no more, this is killing me
Everytime I look at you I see more
Reason for me to leave you
And it's causing me too much pain

(She Said) Baby can you please just stay
It ain't too late to work this thing out
(I Said) Girl this ain't easy for me

At least the truth is comin' out
(She Said) Why can't we make up like the last time
I'm just afraid to hear you say go
(I Said) Baby I'm sorry, I think it's time we let go
Baby don't leave, don't leave, don't leave
Tell me you'll stay, you'll stay, you'll stay
I Gotta leave, gotta leave, gotta leave
Cuz I think it's time we let go
Baby don't leave, don't leave, don't leave

Tell me you'll stay, you'll stay, you'll stay
I Gotta leave, gotta leave, gotta leave
Cuz I think it's time we let go

Baby can you please just stay
It ain't too late to work this thing out
(I Said) Girl this ain't easy for me
At least the truth is comin' out
(She Said) Why can't we make up like the last time
I'm just afraid to hear you say go
(I Said) Baby I'm sorry, I think its time we let go
Baby don't leave, don't leave, don't leave
Tell me you'll stay, you'll stay, you'll stay
I Gotta leave, gotta leave, gotta leave
Cuz I think it's time we let go
Baby don't leave, don't leave, don't leave
Tell me you'll stay, you'll stay, you'll stay
I Gotta leave, gotta leave, gotta leave
Cuz I think it's time we let go
