Oe, oe, oe
Heyi-yeah-yeah-yea

I could see her head lights
in the strap way from over here.
And I could hear your footsteps to this door
Thought you were in the clear
And I could feel the truth and
Finally, told me what everyone feels
There's someone I loved that finally,
Brought these eyes to tears.

And I'm gone grab my hand so tight,
The door slams behind me one foot five behind her.
My hearts going to beat right trough,
It's just like confessants like I got you taking
confessions

I don't believe it,
That you got me feeling like half a man.
I don't believe it,
That you broke this heart like no one can.
I should turn around,
I should walk away,
I should walk away,
I should walk away.
I don't want to leave,
I should walk away,
I should walk away,
I should walk away,
I can barely breath. (eeee)

Ooo, oh, oe, oh, oh, oh

I know you're feeling guilty,
I can see it behind your eyes.
And I can see the tears roll down your face,
But I don't hear the cries.
I must have been a fool cause
I didn't see past all of the lies.
You let me call you my girl,
Knowing damn well that you wasn't mine.

Oe, oe, oeh
And know I'm walking right back,
Through the door out of your live,
Can't believe I ever loved ya.
My hearts is going to beat right trough,
It's just like confessants like I got you taking
confessions.

Said I don't believe it,
That you got me feeling like half a man.
Said I don't believe it,

That you broke this heart like no one can,
I should turn around,
I should walk away,
I should walk away,
I should walk away.
But I don't want to leave,
I should walk away,
I should walk away,
I should walk away,
But I can barely breath. (eeeeeeee)

Ooo, oooooe oh, oo, oe, oh, oh, oh

Girl, I'm going to take this hot and walk away (aa walk
away)
But before I go, you gone remember me (remember
me).
You seem to turn around,
But w-w-without a sound,
Walking so properly and he can kick it down.
You screaming out my name,
for feeling pain,
I'm feeling crazy ..
Cause I, I

Said I don't believe,
Said I don't believe it,
That you got me feeling like half a man.
I don't believe it,
That you broke this heart like no one can.
I should turn around,
I should walk away,
I should walk away,
I should walk away,
I don't want to leave.
I should walk away,
I should walk away,
I should walk away,
I can barely breath.

I should walk away,
I should walk away,
I should walk away.

Hmmm ..
Walk away,
Walk away, (hmm, oh, oh, oh)
Walk away.
Hmm
