I'm laying in my bed,
thoughts up in my head
cause lately, baby I ain't been the same. (same)
I'm such a mess,
don't know what to do,
I never thought things would end up this way. (way)
Don't understand,
thought I was gon? be the one that put that diamond on
your hand. (hand)
And now I've lost her,
I'm starting to dig down that maybe baby it's another
man.
Tell me what happened to us..

I thought that you was my baby,
would of gave you anything,
baby just you and me.
Tell me what happened to us.
Tried to be the best I could be,
made a fool out of me,
tried to be your everything.
Tell me what happened to us.
Thought that you was in love with me,
what was I thinking?
cause love wouldn't have left me.
Tell me what happened to us.
Now it's too late to fix things,
It's all a catastrophe,
baby explain to me.
Tell me what happened to us..

Sick to my stomach,
can't take the fact that I can't talk to you since you went
away. (away, away)
Don't wanna wake up, (nahh)
cause now I know that I can't wake up next to your
pretty face.
Was it my fault, girl?
That's what I keep asking myself over and over again.
(again, again)
The worst part is that,
I know that you ain't coming back, baby, if this is the

end. (oh, oh)

You were incredible, (Oh-oh)
Love so acceptable, (Ho-oh)
Me and you against the world. (No, no, no, no, no)
Connection unexplainable,
then something went wrong, (got me writing this song)
got me writing this sad song.
I'm so confused, girl,
can you tell me what happened to us.

I thought that you was my baby,
would of gave you anything,
baby just you and me.
Tell me what happened to us.
Tried to be the best I could be,
you made a fool out of me,
tried to be your everything.
Tell me what happened to us.
Thought that you was in love with me, (you was)
what was I thinking love wouldn't have left me, (love
wouldn't have left me no, no)
Now it's too late to fix things. (oh)
It's all a catastrophe, (oh)

baby explain to me,
Tell me what happened to us. (us)

Tell me what happened baby, to us
Tell me what happened baby, to us
Tell me what happened baby, to us
Tell me what happened to us.

We were incredible,
love so inseparable,
me and you against the world.
connection -
Tell me what happened to us.
We were incredible,
love so inseparable,
me and you against the world.
