Travis:  
My love,  
Don't you know you're all  
That I think of  
Many days have gone  
I'm away from you  
Said you'd be at home  
Just waiting' by the phone  
I still ain't talk to you

Kevin:  
My love,  
Thought we understood  
that my heart's true.  
I'm running out of time  
Girl I need you  
I spent up my last dime  
I'm not gon' sleep tonight  
'Til I hear your voice

Chorus:  
Where is my rose?  
The one I gave to you  
Where is my rose?  
Don't say we're through  
Where is my rose?  
You know I'm missin' you  
Has it wilted in the cold  
Where is my rose? (yeah, yeah)  
Where is my rose?  
(Ohhh)

Travis:  
My love,  
Remembering your eyes  
When I kissed you  
Still lingers in my mind  
How I wish to  
Cross the miles so wide  
But hold you close tonight  
I need to know

Chorus:  
Where is my rose?

The one I gave to you (The one I gave you)  
Where is my rose? (Please, don't say)  
Don't say we're through  
Where is my rose?  
You know I'm missin' you (Missing you)  
Has it wilted in the cold  
Where is my rose?

Both -Bridge:  
Don't wanna say goodbye  
Now I'm so close to cry  
So I got to let her know  
No, I just can't let her go

Chorus:  
Where is my rose?  
The one I gave to you  
Where is my rose?  
Don't say we're through (Don't say we're through)  
Where is my rose? (No, no)  
You know I'm missin' you (Missing you, baby. Missing  
you, baby)  
Has it wilted in the cold (Missing you, baby!)

Chorus:  
Where is my rose?  
The one I gave to you (The one I gave you)  
Where is my rose? (Please, don't say)  
Don't say we're through  
Where is my rose?  
You know I'm missin' you (Missing you)  
Has it wilted in the cold (Tell me where's my rose?)  
Where is my rose?

My rose, my rose, my rose, my rose  
Where is my rose?  
My rose, my rose, my rose, my rose  
Where is my rose?  
My rose, my rose, my rose, my rose

Has it wilted in the cold?  
Where is my rose?
