

NLT "Yesterday"

Visit "[Yesterday](#)" on MotoLyrics.com

Never meant to cause you no pain
When I said I never wanted to see you again, Ohh
Took advantage of all that I gave, babe
So what's the news, tryen to get me to stay

Tried everything to make this thing work
Cause I found that you were god's gift to the earth, no
You could have told me we wouldn't be, yea
Together... forever

Tell me why, now that I'm leaven you're missen me
Tell me why, (oh why) when I loved you, you hated me
Tell me why, (oh why) now that I moved on you're
wanting me
But baby its too late now I don't want to go back to
yesterday

I was everything you wanted in a man, baby
Everyday I try to do the best that I can ohh
But you never thought that I'd be the one, yeah
(ohh baby, baby)

Please, tell me why, now that I'm leaven you're missen
me you're missen me
Tell me why, when I loved you, you hated me

Tell me why, now that I moved on you're wanting me,
yeah, yeah
Baby but its too late now I don't want to go back to
yester

No I don't want you back no I don't feel your pain
You gotta understand that I'm finally a man
Please don't say anymore
I'm already out the door
Aint nothing you can do
Cause baby I'm over you

It's the end, oh
Baby its getting old
Cant take the stress in mer
So baby I've gotta leave

This is my final good bye
Baby tell me why
Ohh baby

Yeah yeah, oha oha oha oha
Well baby its too late now I don't wanna go back to
yeste

Tell me why, now that I'm leaven you're missen me
Tell me why, when I loved you, you hated me
Tell me why, now that I moved on you're wanting me
But baby its and its too late now, now and no I don't
wanna go back to yesterday
