Button up your overcoat  
When the wind is free  
Take good care of yourself  
You belong to me

Eat an apple every day  
Get to bed by three  
Take good care of yourself  
You belong to me

Be careful crossing streets  
Don't eat meat  
Cut out sweets  
You'll get a pain and ruin your

Keep away from bootleg hooch  
When you're on a spree  
Take good care of yourself  
You belong to me

Wear your flannel underwear  
When you climb a tree  
Take good care of yourself  
You belong to me

Don't sit on hornet's tail  
Or on nails  
Or third rails  
You'll get a pain and ruin your

Your creator has a master plan  
Peace and happiness for every man  
Your creator has a working plan  
Peace and happiness for every man and woman  
Every man and woman

Forgive yourself and those you love  
Let your heart be free  
Take good care of yourself  
You belong to me

Love yourself from inside out

Unconditionally  
Take good care of yourself  
You belong to me  
You belong to me

Don't ever compromise  
Just realize  
Love will guide you
