The moment I wake up  
Before I put on my makeup  
I say a little prayer for you  
I say a little prayer for you

While combing my hair, now  
And wondering what dress to wear, now  
I say a little prayer for you  
I say a little prayer for you

Forever and ever, you'll stay in my heart  
And I will love you  
Forever and ever, we never will part  
Oh, how I'll love you

Together, forever, that's how it must be  
To live without you  
Will only mean heartbreak for me

I run for the bus, dear  
While riding I think of us, dear  
I say a little prayer for you  
I say a little prayer for you

At work I just take time  
And all through my coffee break time  
I say a little prayer for you  
I say a little prayer for you

Oh, forever and ever, you'll stay in my heart  
Oh, how I'll love you  
Forever and ever, we never will part  
Oh, how I'll love you

Together, forever, that's how it must be  
To live without you  
Will only mean heartbreak for me

I say a little prayer for you  
My darling, believe me  
For me there is no one  
But you

Please, love me too  
Please, love me too  
I say a little prayer  
Say a little prayer for you

I'm in love with you  
I'm in love with you  
Answer my prayer

I say a little prayer, say a little  
Say a little prayer, I say a little  
Say a little prayer  
Say a little prayer for you
