Ooh, brighter

Ooh child, things are gonna get easier
Ooh child, things will be brighter
Ooh child, things are gonna get easier
Ooh child, things will be brighter

Some day
We'll put it together and we'll get it all done
Some day
When your head is much lighter

Some day
Walk in the rays of a beautiful sun
Some day
When the world is much brighter

Ooh child, things are gonna be easier
Ooh child, things will be brighter and brighter
Ooh child, things are gonna be easier
Ooh child, things will be brighter

Some day
We'll put it together and we'll get it all done
Some day
When your head is much lighter

Some day
We'll walk in the rays of a beautiful sun
Some day
When the world is much brighter

Some day
We'll put it together and we'll get it all done
Some day
When your head is much, much lighter

Some day
We'll walk in the rays of a beautiful sun
Some day
When the world is much brighter

Oh, oh, some day
We'll walk in the rays of a beautiful sun
Some day
When your head is much lighter

Some day
We'll put it together and we'll get it all done
Some day
When your head is much lighter

Ooh child, ooh child
Ooh child, things are gonna be brighter
Oh, right now, let's get it together
Get it together and we'll get it all done

Right now, right now
One day we'll get together if we wanna get together
Ooh child, ooh child, ooh child
Get it together and we'll get it all done
Right now, right now
One day we'll get together if we wanna get together

Ooh child, ooh child
Right now, right now
One day we'll get together if we wanna get together
Right now, right now
Right now, let's get it together
