No clue(hahaha)
its a plot through a scheme
wanna see y'all throwin a dub when i step in the scene
need *****s with bigga dreams a lot that ive never
seen
i never would have seen as soon as i step on the scene
with an attitude like i dont give a ****
Im lovin the way she shakin uh butt
got me fantasizing and i really wanna cut take it to the
back of the truck to see whats up (hahaha)
im so consist remember the west in '96 that wrote
multiple gangsta hits never gonna be the same see the
games gonna flip every time i spit
so lets slide to the side everybody thats feelin the vibe
lemme see throw ya hands in the sky and everybody
lets ride
so tell me whatchu know about the west with a
bulletproof vest on your chest in the west manifest in
the west so your paddy in the caddy in the west tell me
yall forgot about the west (heh)
legendary young literary, preliminary never limitary,
clown fools like its meditary, the rap games most
revolutionary have the rappers in the game very
scary(heh)
u no wuts up four fingas up two twisted in the middle
with the thumb cuffed
every where lemme see throw it up makin money n u
neva have the time to stop
from c town to sack town the bay area back down from
portland to oakland la up n smokin
we west coast representin throwin up them dubs
collipark and chickens jackin cuz they wanna get cut
we throw the west up high cant nobody see the west
where we ride
so throw your hands in the sky and everybody lets ride
we west coast representin throwin up them dubs
collipark and chickens jackin cuz they wanna get cut
we throw the west up high cant nobody see the west
where we ride
so throw your hands in the sky and everybody lets ride
im the most lyrically elevated articulated behated
im physically orchestrated see they mad that i made it

incriminated desated interrogated debated they said
that i manipulated the rap games been invaded
metaphorically accumulated got that vid that pinuated
and verbally irritated the mind that got animated these
orders that i be makin the games been fabricated but
only through whatchu make it
aint nobody showin nobody no pity in the west
everybody already be from the gritty in the west
philipinos wanna get up the real shorty kitty come n be
part of the committee only in the west
everbody from the south and the east to the midwest
never gonna be the type that be put to the test and then
take a little time to confess im really one of the best
and never lets cut the thing thats off in your chest
im a rare version immergin' conversion the version
encouragin never lyrical reversion the urgin' swervin'
and splurgin you know maybe foul reconversion
metaphorically servin'
super supremecist lyrical physical typical nemesis
lyrically get to the *****eses they remenisce thinking
my greedy self peice of potential so serious
speculated motivated impersonated related eliminated
to good to be ready to hated debate he never
degraded desintigrated could they be mad that i made
it that i came and invaded
so from c town to sack town the bay area back down
from portland to oakland LA up n smokin
we west coast representin throwin up them dubs
collipark and chickens jackin cuz the wanna get cut
we throw the west up high cant nobody see the west
when we ride
so throw ur hands in the sky n everybody jus ride
we west coast representin throwin up them dubs
collipark and chickens jackin cuz they wanna get cut
we throw the west up high cant nobody see the west
wen we ride
so throw the west in the sky n everybody jus ride
