With thirteen I woke up from a dream
Things were not the same well you know what I mean
You know it's strange I never felt this way
And now everyday my world begins to change
I wanna do all the things they tell me not to do
And it's true I'm gonna find out something new
When I'm eighteen when I'm eighteen
I just can't wait 'til I get eighteen
The sun will shine the girls they smile
The world is mine when I get eighteen
When I walk by the girls they start to cry
And on the schoolyard all the boys are getting high
My parents seem to think I'm too extreme
But the whole world outside is waiting there for me
I wanna do all the things I'm not allowed to do
And it's true my life will be so beautiful
When I'm eighteen when I'm eighteen
I just can't wait 'til I get eighteen
The sun will shine the girls they smile
The world is mine when I get eighteen
