Yeah  
I'm hungry  
I'm starving  
I want some food for my tummy

I want some  
Pizza coke and ice cream  
Popcorn cotton candy  
Marshmallows milkshake and peanuts  
Would be so great  
Pies chips candy apples  
Twinkies frosted flakes  
Donuts french fries  
And some chocolate cake with mustard  
Cookies avocados pancakes  
Pineapple juice  
Whipped cream on some raw meat  
That's not all I could eat

I'm hungry  
I'm starving  
I want some food for my tum...

I want some  
Honey roasted walnuts  
Pepperoni slices  
Pasta and burritos  
Different kinds of rices  
Cherries dipped in chocolate  
Cottage cheese and jelly  
Colonel sander's chicken  
Still won't fill my belly  
Broccoli sticky syrup  
Churros dipped in sauce  
Drippy sloppy joes

Then I'm full at last  
Ahhh ahhh  
I'm full at last  
Burp.

Paulina

Paulina - she's on the cover of a magazine  
Paulina - a woman in my nightly dreams  
Paulina - who makes me grin in any pose  
Paulina - I wish she'd take off all her clothes

Paulina - well I stare at her pictures all day long  
Paulina - and as I do I sing this song  
Paulina - my father says to act my age  
Paulina - as I single handedly turn the page

Paulina - well I paste her pictures on the wall  
Paulina - sit by the phone and hope she'll call  
Paulina - although I know she never will  
Paulina - to indulge myself is such a thrill

Paulina - she's the big red apple of my eye  
Paulina - I wish she'd lay down by my side  
Paulina - but if she ever knew my pursuit  
Paulina - she would probably file a huge lawsuit

Yeah yeah oh oh oh oh

Brand new day

At the end of the day you are worn, and too tired to sleep  
But then you do dream of wonderful things  
That you might do, right on through to the next day

And then you wake up  
The sun's on your face  
You're stretchin' while you're sayin'  
It's a brand new day!

It's a brand new day and the sky is clear  
So let's come together, everybody cheer  
Come out people from everywhere  
Let's see your faces, the day we'll share  
Celebrate a brand new day everyday!

Call out to the workers and the children in the schools  
It's a day of celebration so put down your tools and  
Celebrate a brand new day everyday!

Come see the mountains and come see the shores
