Hey baby, baby (4x)  
All the boys say  
Hey, hey... (2x)  
All the boys say (3x)  
Hey, hey... (2x)

Hey baby, hey baby, hey  
Hey baby, hey baby, hey

I'm the kind of girl  
That hangs with the guys  
Like a fly in the wall  
With my secret eyes  
Taking it in  
Try to be feminine  
With my make-up bag  
Watching all the sin

Misfit, I sit  
Lit up, wicked  
Everybody is surrounded by the girls  
With the tank tops and the flirty words

I'm just sipping on chamomile  
I'm watching boys and girls and their sex appeal  
With a stranger in my face who says he knows my mom  
And went to my high school

All the boys say  
Hey baby, hey baby  
Girls say, girls say  
Hey baby, baby  
All the boys say  
Hey baby, hey baby  
Girls say, girls say  
Hey baby, baby

Hey baby, hey baby, hey  
Girls say, girls say  
Hey baby, hey baby, hey  
Hey baby, baby

Hey baby, hey baby, hey  
Boys say, boys say  
Hey baby, hey baby, hey  
All the boys get the girls in the back

I'm the one they feed upon  
Give a bit a star is born  
And if you have enough you'll get the pass  
And you can tell your friends how you made it back

No matter what they say I'm still the same  
Somehow everybody knows my name  
And all the girls wanna get with the boys  
And the boys really like it

All the boys say  
Hey baby, hey baby  
Girls say, girls say  
Hey baby, baby  
All the boys say  
Hey baby, hey baby  
Girls say, girls say  
Hey baby, baby

Hey, hey... (4x)

All the boys say (3x)  
Hey baby, hey baby, hey  
Girls say, girls say  
Hey baby, hey baby, hey  
Hey baby, baby  
Hey baby, hey baby, hey  
Boys say, boys say  
Hey baby, hey baby, hey  
All the boys get the girls in the back

Jum, jum, jum, jum  
Jump on the stage  
Jump  
Jump on the stage  
Jump

Jump on the stage cause we going crazy  
Afterward myself and one of them gorgeous ladies  
There is no need to be actin' shady  
C'mon baby, hey, hey baby  
When you rock your hips you know that it amazes me  
Got me off the hook and nutting else don't phase me  
Can you be my one and only sunshine lady  
If no, maybe, hey baby

Hey, hey... (4x)

I'm just sipping on chamomile  
I'm watching boys and girls and their sex appeal  
With a stranger in my face who says he knows my mom  
And went to my high school

All the boys say  
Hey baby, hey baby  
Girls say, girls say  
Hey baby, baby  
All the boys say  
Hey baby, hey baby  
Girls say, girls say  
Hey baby, baby

Hey baby, hey baby, hey  
Girls say, girls say  
Hey baby, hey baby, hey  
Hey baby, baby  
Hey baby, hey baby, hey  
Boys say, boys say  
Hey baby, hey baby, hey  
All the boys get the girls in the back
