You say I'll never be a hero
And I should wonder why
In the game of life I've hit for zero
You always say I try too hard to see
Something I could never be
Don't deny
I've been taken for a ride inside
I'm giving up I've had enough
Seems like I'm running out of luck
I've overloaded I can't breathe
I can't get over me
I didn't ask for your opinion
I don't want it at all
I don't think I could ever win ya
So I'll just say whatever to you all
I can hide behind a wall
I'm still alive
But I've been taken for a ride inside
I'm giving up I've had enough
Seems like I'm running out of luck
I've overloaded I can't breathe
I can't get over me
Don't wanna lose it now
When nothing is right inside my mind
I won't let you pull me down
There's something inside me I will find
I can't go on and on again
Take me back remember when
I was free
Now I can't get over me
I can't get over me
I'm giving up I've had enough
Seems like I'm running out of luck
I've overloaded I can't breathe
I can't get over me
