No I don't wanna be the best
And I don't wanna sit right on the top of the world
And I can do without a lot of money
I don't care if you might think it's funny
But I want only one thing more before I'm through
I want you
You know I do
I want you
To want me too
I want you
To come my way
Don't want just anybody
I want you
No I don't know what I'm gonna do
I'd give you all I got but I don't have much to give
Go ahead and call it an obsession
Just come and take me home as your possession
I don't want just anyone to do the do
I want you
You know I do
I want you
To want me too
I want you
To come my way
Don't want just anybody
I want you
So come and look my way
Cause I can't wait to make you mine
Go ahead and give me what I want
No I don't want to be the best
