I think I liked the way you used to be
You're not the same girl that I used to see
You're changing moods ever so constantly
You used to be the one who was always there for me
Don't wanna know it
I don't wanna see
I'm losing you,
You're losing me
If you could only see
What's going on inside of me
If we just give it one more try
Cause we're not a lie
We're not a lie
Yes I know that we've seen better days
I won't let you tell me there's nothing more to say
If we go, we're throwing it all away
Cause breaking up is not a game I wanna play
Don't wanna know it
I don't wanna see
I'm losing you,
You're losing me
If you could only see
What's going on inside of me
If we just give it one more try
Cause we're not a lie
We're not a lie
